LOCAL REMODELER WINS 2006 NATIONAL AWARDS

(Lakeville, Minn., January 13, 2007) College City Remodeling, Lakeville, has won four prestigious national awards honoring excellence in remodeling. **Professional Remodeler’s 2006 Best of the Best Design Awards** were received for a whole house remodel in Burnsville, a luxury bath in Lakeville and a lower level featuring a wet bar, wine cellar and entertainment areas in Eagan. Professional Remodeler’s 2006 Best of the Best Design Awards recognize outstanding design, quality construction and exceptional value of remodeling projects from all over the nation.

The **Qualified Remodeler’s Master Design Awards** recognize remodelors from all over the country for outstanding design and construction. College City Remodeling received this award for a creative exterior remodel and facelift at a home in Prior Lake. In this project, College City Remodeling not only fixed a moisture intrusion problem, they gave the home an exciting, exterior makeover.

College City Remodeling was the only company in Minnesota to walk away with four of these national awards. A recipient of numerous local and national awards, the College City team is an almost 40-year old firm specializing in custom home and residential remodeling. Bjorn Freudenthal, General Manager of College City Remodeling and the new 2007 president of the National Association of the Remodeling Industry, Minnesota said, “Our team is delighted to receive this national recognition. Our continued focus and measure of success, however, comes from our satisfied customers and the unique remodeling solutions we provide for them.”

“We’ve seen our remodeling company continue to grow rapidly over the past few years,” said Darin Pavek, Owner, College City Homes. “We’re most proud of their commitment to top quality workmanship, superior design and personal attention – strengths on which the Pavek family company has built.”
