## COLLEGE CITY CAN HELP YOU PLAN YOUR PROJECT

- Receive detailed information on the Design/Plan/Build process
- Experts share their thoughts on materials and design, with practical examples of implementing trends in project plans
- Before and After slideshows — see actual Build/Renovation projects that incorporate design elements and products
- Explore how design can increase the functionality of your home

**“Thank you College City!  
The Design Workshop helped  
us better understand the  
process — and possibilities —  
in building our home.”**

– Connie Carrino  
Homeowner

**Visit us at  
CollegeCityDesignBuild.com  
or call 952-469-6900 to  
register for these FREE  
Design Workshops.**

**RESERVE YOUR SPOT TODAY!
