College City Design/Build Receives Multiple Industry Awards

College City Design/Build, Inc. (CCDB), located in Lakeville, MN, recently received several notable industry awards recognizing its excellence in remodeling including:

Qualified Remodeler 2011 Master Design Award; Bronze award in the whole house, less than \$200,000 category. The annual award recognizes outstanding achievement in residential remodeling in 22 categories.

Qualified Remodeler, Top 500 Award. For seven consecutive years, CCDB has received this national award which recognizes the top remodelers in the U.S.

Remodeling Magazine, Top 550 Award. This award ranks the top 550 remodeling companies in the U.S. CCDB was ranked 104 overall and second among Minnesota's full-service remodelers.

Builder's Association of the Twin Cities, Remodeler of Merit Award (ROMA); Kitchens over 300 square feet category.

Professional Remodeler, Best of the Best Design Award; Silver award in the whole house under \$300,000 category and bronze award in kitchens \$50,000-\$100,000.

"We are honored to receive these awards," said Darin Pavek, CCDB President. "Each award is meaningful and demonstrates our standing in the industry. Collectively the awards represent our continued commitment to excellence for our clients and craft"

College City Design/Build, Inc. (CCDB) is a family-owned, leading residential construction company that excels in both remodeling of existing homes and custom new home construction. CCDB has received many of the industry's highest achievements including Reggie and Trillium awards of excellence from The Builders Association (BATC) of the Twin Cities, 2008 BATC Remodeler of the Year and several CotY awards from the National Association of the Remodeling Industry.
